

Business structures and registration requirements

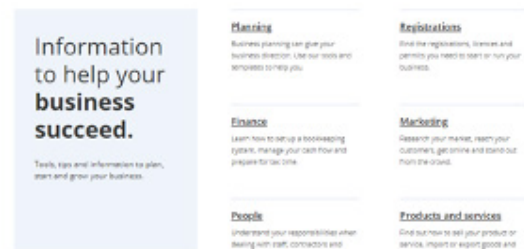

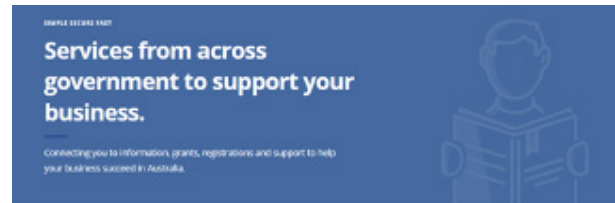

This sequence is intended as a framework to be modified and adapted by teachers to suit the needs of a class group.

Resources needed

- Business structures and registration requirements – Explainer
- Business structures and registration requirements – Worksheet
- Which business structure? – Online quiz
- ABN application (simulated online form)

Suggested activity sequence

- 1 Explain to students that while there are several business structures that people can choose when they establish a business, some will better suit their needs than others. Tell students they will be exploring this themselves by using the Australian Government Business website.
- 2 Display the business.gov.au website on a whiteboard or screen.

- 3 Discuss the following:
 - a. Why this website might be a source of the most reliable and credible information.
 - b. What information does the website include?
 - c. How can businesses use this website to support them?
 - d. Why does the government to provide this support?
- 4 Students read the *Explainer* or read it as a class.
- 5 Students complete the *Worksheet*. As part of the worksheet, students will be required to complete the *Online quiz* and complete an ABN application using the online form.
- 6 Use a reflection strategy for students to reflect on their learning, such as a *reflection pyramid* or a *3-2-1*.
