

Sport Matters

This sequence is intended as a framework to be modified and adapted by teachers to suit the needs of a class group.

Resources needed

- Sport 2030 – Visualiser
- Sport 2030 – Personal response
- Build it and they will come – Investigation

Suggested activity sequence

Part A: Sport 2030

- 1 Use the *Visualiser* to explain the vision of the Sport 2030 plan.
- 2 For each of the actions proposed by the *Sport 2030* plan:
 - Discuss how these actions will support local communities, everyday people and elite athletes.
 - Ask students for examples of each action being proposed.
- 3 Students individually complete the *Sport 2030 personal response*.
- 4 Students share their views with the class.

Part B: Build it and they will come

- 1 Talk students through the *Investigation*.
- 2 Students complete their investigations.
- 3 Negotiate with students how they will present their ideas.
